

**Child Care Market Rate**

The child care rate information below is shared with you as a *guideline only* in pricing the cost of child care in New York City. These are ‘market rates’ published by the Administration for Children’s Services (ACS) which are the maximum rates that child care providers are paid by New York State. They do *not* represent a general market minimum or maximum price. As with any service, please note that child care services vary widely in pricing. Use the chart below to get a *general idea* of the cost of child care in NYC.
